

Feedback from Overthorpe Parish Council Survey

Overthorpe Parish Council recently sent out a survey to get opinions on how parishioners would like the parish council to approach the issues with speeding and non-residents driving through the village. The results of the 22 responses received were as follows:

	VAS	ANPR	Close off road
Yes	11	15	9
No	6	2	9
No comment	5	5	4

Unfortunately the number of responses received is not sufficient for the Parish Council to make any significant decisions, particularly that to close off one side of the village. We would very much appreciate it if any parishioners who have not already responded could complete the survey asap.

In order to make this easier we have set up an online survey that can be completed via the link below or, if preferred, you can e-mail the clerk on overthorpeparishcouncil@googlemail.com to provide your answers or request a copy of the paper survey.
